Offg Deputy Commissioner,

CHITALDRUG

To

B Ramaswamaiya Esquire, B A B L

Secretary to Government of

His Highness the Maharaja Of Mysore

Revenue Department B A G A L O R E

Sir,

I have the honour to state that on the representation of some of the Municipal members and other Town's people of Jagalur that cattle are habitually allowed by the owners to trespass on lands and to damage the crops thereon, the Municipal Board at their meeting held on 27-2-1918 resolved that the rate of fine levied on cows, Horses, and Goats be doubled (vide copy of the resolution enclosed) Some residents of the town have in a Mahazar dated 3rd March 1918 also expressed themselves in favour of doubling the fine on cattle of the kind in question, with a view to put a stop to the tendency on the part of the people of allowing cattle to stray and damage the crops. The rate of fine at present levied on the three kinds of animals are noted in the margin and the same appears to be low in consideration of the damage done to the crops by them.

I therefore recommend that the proposal of the Municipal Board to double the rates of fine may be sanctioned as it is in conformity with the provision in Section 12 of the cattle trespass Act

I have the honour to be

Sir,
